

# NOTICE OF MiENERGY COOPERATIVE ANNUAL MEETING APRIL 13, 2022

Mabel Community Center  
201 South Main Street, Mabel, Minn.  
One-hour business meeting at 7 p.m.  
Virtual option available

## ANNUAL MEETING APRIL 13

MiEnergy Cooperative's Annual Meeting for members will be a one-hour business meeting at 7 p.m. on Wednesday, April 13 at the Mabel Community Center, 201 South Main Street, in Mabel, Minn. The meeting will follow Centers for Disease Control guidelines at the time of the meeting which could limit in-person attendance. Details on how to view the annual meeting virtually are included in the annual report to be mailed March 29.

## DISTRICT 4 & 5 ELECTIONS

Election ballots for members in districts 4 and 5 will be mailed in yellow envelopes from Eden Prairie, Minn. on March 11. The cooperative encourages members to cast ballots online or by mail.

The cooperative will accept in-person ballots at the Mabel Community Center, 201 South Main Street, Mabel, Minn. on April 13, 2022, between 6 p.m. and 7 p.m. The ballot box closes at the start of the annual meeting at 7 p.m.

**USE  
ENERGY  
WISELY**

**Looking  
for an easy  
way to help  
keep electric  
rates stable  
and help the  
environment?**

**Learn about our  
ElectricSense®  
energy management  
program.**

Enroll your electric water heater in the Electric\$ense<sup>®</sup> energy management program. This program helps keep rates stable by reducing electric use when regional demand is high and causes price spikes. A co-op receiver will be installed for the water heater and everything else is automated.

**Residential:** Water heating is paused only a handful of times a year and does not exceed six hours at a time.\* Summer management is typically 2 p.m. until about 6 p.m. and winter is 5 p.m. to about 8 p.m.

**Storage:** Water heating is paused Monday-Friday\* from 11:30 a.m. - 8 p.m. in the summer and from 5:30 a.m. - 1 p.m. and 4 p.m. - 10 p.m. in the winter.

## LARGE-CAPACITY ELECTRIC WATER HEATERS

The energy management program works well with the large capacity 85 and 105-gallon Marathon water heaters that MiEnergy Cooperative sells to members at a significant discount. Free water heaters are available for members building a new home.

## GO GREEN

New electric water heaters enrolled in the Electric\$ense<sup>®</sup> energy management program are automatically enrolled in Evergreen Everyday, which ensures 400 kWh each month is sourced from renewable energy.
